The Virginia City Rodeo & Fiesta Del Charro Saturday Aug. 24th-Sunday Aug. 25th, 2019

The Way It Was Rodeo returns! This is not your average small town rodeo. In 2015, the completion of the Virginia City Fairgrounds was one of the most significant additions to one of the country's most historic landmarks since, well, the Comstock Lode. The Virginia City Fairgrounds was built to host concerts, special events, the International Camel & Ostrich Races and most importantly a RODEO! It has become an overnight sensation with the modern flare that fans have come to expect from a Flying U Rodeo including a giant american flag parachute jumper, extreme bronc riding, mutton bustin', trick roping, motorcycle against horse barrel racing, trick riding, bull riding, mexican bull fighting (no harming of bulls with this one!), t-shirt guns, flying cowboy BMX freestyle motorcycle jumping and a grand finale.

The Virginias City Rodeo and Fiesta Del Charro is produced by The Flying U Rodeo. Established in 1956, Cotton Rosser and his family have worked to make the Flying U one of the most successful stock contracting firms in professional rodeo. Cotton has long been known for his outstanding rodeo productions, including National Finals Rodeo, the Houston Livestock Show, the Grand National Rodeo in San Francisco and the PRCA Wildest Richest Rodeo in the West - The Reno Rodeo just to name a few. With more than three dozen Rodeo's each year, the Flying U will once again bring it's full production to the fan in Virginia City this August.
