

2023 Sponsorship Deck

The most acclaimed and prestigious wooden boat show in North America returns to the scenic West Shore of Lake Tahoe August 11-12, 2023. Presented by the Tahoe Yacht Club Foundation (TYCF) and its perpetual partner, Tahoe Luxury Properties, the Lake Tahoe *Concours d'Elegance* is set at the historic Obexer's Boat Company. It is a showcase of the most well-preserved and restored wooden boats in the world and is unrivaled in its exhibition and preservation of boating and maritime tradition.

The 49th annual Lake Tahoe *Concours d'Elegance* will be a celebration of an entire decade of wooden boats. "Boats of the 60s" take the stage as this year's Marque Class.

Over the past four and a half decades, the Lake Tahoe *Concours d'Elegance* has become a benchmark of the wooden boat community, renowned all over the world for its quality of boat exhibits and high judging standards and practices. But it doesn't rest on reputation. *Concours* consistently raises the bar year-after-year to earn its title as North America's premier wooden boat show. *Concours* has created its own meticulous 100-point judging system and expanded its exhibitor showcase while consistently displaying the most well-preserved wooden boats on Earth. Its home at Obexer's Boat Company has established a now iconic boating tradition - the Roar-Off under the Olson Bridge. In just the past few years, the Lake Tahoe *Concours d'Elegance* has added a revised People's Choice contest as well as an intimate tour of the exhibitor boats with Chief Judge, Terry Fiess.

The enhancements to the *Concours* experience go well beyond the boats. Guests of the show can sip wines expertly picked from wineries across the Western United States, cool off with a handcrafted cocktail as they shop luxury brands and high-end boutiques, and listen to live jazz as they indulge in a meal catered by a local chef. It is all tailored around the beauty of mahogany and Lake Tahoe to create an immersive ambiance of elegance.

Off the docks, *Concours* made history with virtual boat shows in 2020 and 2021. The online display of classic and antique boats featured high-definition photographs and videos, the roar of engines, and detailed stories. Thousands of boat lovers around the world logged on to vote for their favorite watercrafts.

The virtual shows allowed TYCF to continue its mission during the pandemic which is to help preserve the environment and history of the Lake Tahoe Basin. The Lake Tahoe *Concours d'Elegance* is the Foundation's largest event. Since its induction, and thanks to the *Concours* community, TYCF has been able to award over \$425,000 in grants to various maritime-related, charitable, and cultural organizations.

Concours recently launched a completely remodeled website and new branding. The updated brand blends old into new, taking the classic style of *Concours* and reinventing it for the future.

This isn't just a show. The Lake Tahoe *Concours d'Elegance* is a lifestyle.
